

Ashcroft Product Line Card

Keep your critical processes running with reliable pressure and temperature measurements.

PRESSURE GAUGES

Analog, Digital, Test, Differential, Sanitary, High-Purity

DIAPHRAGM SEALS AND ISOLATORS

Threaded Seals, Flanged Seals, In-line Seals, All-welded Seals, High Displacement Seals, Isolation Rings, SMART Transmitter Assembly

ACCESSORIES

Siphons, Dampeners/Snubbers, Electric Contacts, Capillary Lines, Valves/Manifolds

PRESSURE SENSORS

Transducers, Transmitters (Absolute, Low, High & Differential Pressures), Panel Meter, High-Purity

SWITCHES

Pressure Switches, Differential Switches, Temperature Switches

TEST INSTRUMENTS

Calibrators, Test Gauges, Hand Pumps and Controllers, Hydraulic Testers

TEMPERATURE INSTRUMENTS

Bimetals, Gas Actuated Thermometers, RTDs, Thermocouples, OEM and Multipoint Temperature Sensors

THERMOWELLS

Threaded Thermowells, Flanged Thermowells, Socket Weld Thermowells, Van Stone Thermowells, Sanitary Thermowells
